What Huon thinks about the 2014 E.M. Limited Release Chardonnay

Very light greeny/yellow colour. Attractive fresh melon and creamy lees aromas, a faint suggestion of volatile acidity - or is it just hotness from high-ish alcohol? Still, a young wine with plenty of life ahead of it. Liz Jackson says it's not VA, just the Remond barrels, and I agree the wine will fill out around this in time. 9/6/2015
